donor if the purpose for which the articles were donated cannot be accomplished.

(3) If the donor directs that the gift is donated for a particular use, those directions will be carried out insofar as they are proper and practicable and not in violation of Department of Veterans Affairs policy.

(4) When considered appropriate and not in conflict with the purpose of the national cemetery, the donor may be recognized by a suitable inscription on those gifts. In no case will the inscription give the impression that the gift is owned by, or that its future use is controlled by, the donor. Any tablet or plaque, containing an inscription will be of such size and design as will harmonize with the general nature and design of the gift.

(b) Officials and employees of the Department of Veterans Affairs will not solicit contributions from the public nor will they authorize the use of their names, the name of the Secretary, or the name of the Department of Veterans Affairs by an individual or organization in any campaign or drive for money or articles for the purpose of making a donation to the Department of Veterans Affairs. This restriction does not preclude discussion with the individual offering the gift relative to the appropriateness of the gift offered.

§ 1.621 Disinterments from national cemeteries.

(a) Interments of eligible decedents in national cemeteries are considered permanent and final. Disinterment will be permitted only for cogent reasons and with the prior written authorization of the National Cemetery Area Office Director or Cemetery Director responsible for the cemetery involved. If the surviving spouse and all of the children of the decedent are deceased, the decedent's parents will be considered "immediate family members."

(1) A full statement of reasons for the proposed disinterment.

(2) Notarized statement(s) by all living immediate family members of the decedent, and the person who initiated the interment (whether or not he or she is a member of the immediate family), that they consent to the proposed disinterment.
